The Punishment Of Those Who Refuse Me

"My son, My wrath is on all who refuse Me. That includes My pastors. Why won't they obey? I called them to do My will. They refuse Me every time I call. They will not do My will. I call and call, and yet they still refuse Me. They will not receive My Baptism of the Holy Spirit. He is free to all, yet they prefer their religion to receiving Me. They are like the Pharisees of old- they have the Word but no power. They refuse Me. They work with no power in their lives. A form of godliness but no power thereof. They will be damned forever for they refuse Me. They will not receive My Spirit's Baptism. They think it is of yesteryear. They will not come into My Kingdom for they refuse Me. They refuse Me, preferring to stay in their old religion. They will be damned forever! Your LORD has spoken. Amen."
